IS BADLY MIXED

INNOVATIONS OF LIFE AT CAPITAL HAS BILLY JOB GUESSING.

ADVERTISE THE COUNTY

Resources of Nodaway Recited in Entertainment at Lincoln Institute—Learns New Way to Fish.

(By William Job.)

Jefferson City, Feb. 24.—This is a very busy time for all those connected with the assembly. The house is several days behind the senate in work and will most likely hold night sessions a part of this week to catch up. A bill introduced in either house now would not likely get through in the time limit unless it was given a clear road. My chief has been gone a part of the time of late and I have had the oversight of all the work in the engrossing office, which has kept me going some. We have just completed the engrossment of the public utilities bill that contains 148 printed pages, and the Joplin-Springfield franchise bill that contains 153 pages besides the amendments, and besides about fifty smaller bills within a few days and have something like forty bills for today.

The county unit bill had easy going in the house, but it looks like it would have hard sledding in the senate. It is tied up in the hands of the committee now and may never be reported out favorable.

The assembly made short work of the bill making it mandatory on the court to grant a continuance in a case where an attorney in the case was a member of the assembly and was attending to his duties at the capitol. It has passed both houses.

Mr. Craig's while slave law has passed the senate with a few amendments. There have been hundreds of petitions read in the assembly asking that this become a law.

The senate has passed the house bill which authorizes the state funds be loaned out in one-eighteenth parts of the whole amount. This will give country banks some of the money.

Senator Casey's bill has been ordered engrossed prohibiting the use of any coloring matter in oleomargarine, and provides that when it is placed on a table for consumption it must be plainly branded so that any one can tell what it is.

Governor Majors' bill establishing a board of pardons and paroles has passed the senate without a dissenting vote and has gone to the house.

The senate also passed Allee's bill providing a method enabling students and traveling men absent from home to cast their ballots by registered mail.

After a joint caucus lasting six hours the St. Louis home rule bill was amended so that all factions were fairly well satisfied, and it will be pushed through without delay and will be given a tryout in the April election.

There is a bill in the house and I think it will become a law, prohibiting any person from soliciting money or anything else from any candidate for office, and making a penalty of from two to five years in prison.

Senator Craig's bill prohibiting the use of snag lines in fishing was up for engrossment the other day. Most of the other senators did not know what constituted a snag line. Senator Craig produced a section of a "snag line" closely strung with hooks. He explained that these lines were placed in small streams and lakes and rendered the passage of fish next to impossible without being hooked.

Senator Buford said the bill would interfere with taking fish on trot lines.

Senator Craig explained that trot lines are baited and "snag lines" are bare of bait.

Senator Brown wanted to know if there was anything in the bill to prohibit "toe fishing." Senator Craig said he had never heard of that method of taking fish.

"It is easy," said Senator Bronson. "The fisherman buries his bare leg and feet up to the toes in the mud. He can then go to sleep, for when a fish bites his toe he will awaken and pull the prize in. Lots of this kind of fishing in Christian county."

Half a dozen other senators took a fall out over the bill and then voted to engross it.

"The students of the Lincoln institute, the state school for colored boys and girls, entertained the members of the assembly and the clerks at the Jefferson theater Tuesday night of last week. Music, songs and recitations and a few short talks on the resources of the state were given. In these talks the names of only two counties were used, and Nodaway was one of them. This is a great school. The colored children are taught all kinds of business, and actually engage in the work. Their entertainment was fine.

Two years ago I saw very few lobbyists here, but there seems to be plenty of them here now. They seem to be getting tame on the anti-lobby bill.

It seems to me that I've got pretty badly mixed up down here this time. The lady I rent my room from has sixteen brothers and sisters. The lady where I board is the oldest of thirty-two children in one family. I sleep with a Bull Moose, and take a bath once a week. Now what do you think of that?

Prof. W. M. Oakerson spent a couple of days here lately attending a meeting of the educators of the state. Prof. Oakerson is rated by the state school officials as the best superintendent of schools in the state. Ellis G. Cook was here a few days ago attending to legal business, and also made a fine talk before the committee on criminal jurisprudence. Hon. John W. Morris was also here in conference with Governor Major.

THEY COULD NOT GO.

Mr. Paul Van Katwijk Charms His Auditors so Much They Were Not Willing to Go Home.

The audience that heard Paul Van Katwijk at the First M. E. church Monday night paid him a fine compliment by refusing to go when he had played his last number, a brilliant rhapsodie; or was it because his hearers could not follow him and did not know when he had done. Anyway, after he had retired from the rostrum for five minutes or more, and they still sat waiting, our best music critics and all, Mr. Katwijk came out and modestly told them his program was concluded. Then everybody smiled out loud and went home. Nobody attempted to explain why he did not go before, but the musicians and the rest did not care. They knew they had heard the sweetest music they had ever heard, and they wanted to hear more. It was the first time they had heard just such liquid notes from the piano, sometimes as soft and clear as a bird note.

Mr. Katwijk is splendid and unassuming in his work and appreciates appreciation. He left a most favorable impression of himself and his playing. His touch is extraordinarily light, warm and full, all these qualities of playing being brought out in a program of wide selection, his Chopin numbers seeming to be the favorites. The technical element in his playing is highly effective.

Lecture Course Tonight.

The fourth number of the Normal lecture course will be given tonight at the First Methodist church. Mr. John A. Gray, a noted lecturer, will talk on his most interesting subject, "Out of Work." This lecture deals with the conditions of the poverty stricken people of New York City. Mr. Gray spent a year with the unfortunates of that city, studying the existing conditions, and tonight's lecture should be of unusual interest.

The fifth and last number of the course will be a concert by the Euclid Male Quartet on the night of March 24.

TO SPELL FRIDAY

COUNTY CHAMPIONSHIP WILL BE DETERMINED THEN.

HE GAVE WAY TO A GIRL

Gallant Act of Jefferson Township Boy That Merits Recognition—Arrangements for the County Contest.

The county spelling contest will be held at the high school auditorium on Friday. The written spelling contest will begin at 4 p. m. in the afternoon of that day, and the oral contest will be held in the evening. The evening program will begin at 7.30 and the first thirty minutes of the program will be given to Miss Alma Nash's orchestra, and at 8 o'clock p. m. the oral spelling contest will begin. The words will be taken from Hunt's progressive speller and the contest will begin at page 100 of the book.

The judges for the written contest are Misses Mamie Dooley, Mary Ford, Phyllis Sayler, Nell Hudson and Golda Airy.

The pronouncers for the written contest are Superintendent C. A. Hawkins and Prof. B. F. Duncan.

The judges for the oral contest are Prof. B. F. Duncan, Prof. T. H. Cook and Prof. H. P. Swinehart.

The pronouncers for the oral contest are Prof. E. L. Harrington and Prof. V. I. Moore.

The spellers that will represent Washington township at the county contest are Orice Wallace, Pleasant View school; May Rayl, White Oak, and Ruth Manship, Lincoln.

Jefferson township spellers are Agnes Lager, North Wildcat school; Regina Abels, South Wildcat school, and Alphonse Luke, South Wildcat school.

The Jefferson Township Contest.

A large crowd was in attendance at the spelling match held at Clyde Saturday afternoon that determined who whould represent Jefferson township in the Nodaway county spelling contest to be held in Maryville.

The judges were Charles Teson, Roy Fitzsimmons, J. J. Enis and Miss Ruth Hobbs.

Miss Louise McCann and Miss Mabel Merrigan pronoun ed the words to the following contestants: Lizzie and Regina Ables of the South Wildcat school; Joe and Irene Growney of Bristle Ridge school; Mabel Felix, Agnes Kimmet and Roland Merrigan of the Clyde school; Carrie Bishop, Irene Corcoran and Hazel Purcell of the Conception Junction school; Aghes Lager, Agnes Coppersmith and Alphonse Luke of the North Wildcat school.

In the first round of spelling all the contestants wrote 180 words, spelling them correctly.

In the next round they spelled 320 words orally, four of the spellers, Lizzie and Regina Ables, Alphonse Luke and Agnes Lager, trying for honors.

The four then spelled 180 words, Lizzie tripping on a word, and in the next round of 180 words Regina Ables dropped out.

This left the field to Agnes Lager and Alphonse Luke. They spelled 320 words, Alphonse Luke purposely tripping on the last word, "fervor," spelling it "furver" at first, then correcting himself, so that Agnes Lager might win the gold medal offered by Rev. Fr. Frowin, and taking the silver medal himself.

That's gallantry of the genuine type. Who said these were degenerate days!

Rev. Fr. Frowin of St. Benedict's church of Clyde made the offer of two medals, first and second prizes, to the spellers winning those places in the county contest for Jefferson township, when the matter of a spelling contest was first brought up, and the students have been working hard on their spelling books ever since. Now somebody ought to give Alphonse Luke a gold medal for so gallantly giving up the gold medal to a girl. That boy has established a new order of knighthood, and it should be recognized.

The funeral services for Mrs. John Martindale of Clyde, who died Monday morning will be held at 9 o'clock Wednesday morning at St. Benedict's church in Clyde and will be conducted by Rev. Fr. Frowin, the pastor. Burial will take place at St. Columbus cemetery at Conception.

Mrs. Martindale's maiden name was Helen Cambron. She was born at Fountain Green, Hancock county, Ill., March 13, 1839. She was married there to John Martindale, forty-nine years ago last November. They came to Nodaway county in 1883 and settled on a farm northeast of Clyde. In 1890 they moved to Clyde and went into the hotel business, which they conducted until 1900, when they moved to their present home in Clyde. Mrs. Martindale is survived by her husband and three children:—Mrs. James McCarty, and Mrs. Tom McGarry and R. B. Martindale, all of Clyde. One brother, Andrew Cambron, of Centerville, Ia., also survives.

Mrs. Martindale was highly esteemed by the people of the Clyde community, especially the young people. While hostess of the hotel she more than performed her duties and to all the young men who made their home there she took such kindly interest in them that they looked upon her as a mother.

TARKIO BEATEN AT CAMERON.

Comparative Scores Give Normal Margin Over Tarkio for Coming Game.

When it was learned Tuesday noon that Missouri Wesleyan basket ball team defeated Tarkio last night at Cameron by a score of 44 to 24, Normal basket ball for the game next Thursday night with Tarkio for the amateur championship of Northwest Missouri took a sudden leap. When Normal was defeated by Wesleyan at Cameron several weeks ago by a score of 43 to 28, it was the third consecutive game for Normal in as many nights, and Vern Seymour, the Normals' brilliant guard, was not with the team, while the game last night was the first of the trip for Tarkio. The comparative scores give the Normal a five point margin, even under those difficulties.

Coach Moore is putting his men through the hardest practice of their careers for the big battle Thursday night. Vern Seymour, who has been out of the line-up in the last two games, on account of sickness, was in the harness again at Monday's practice and displayed all of his old-time cleverness. The entire squad is in excellent condition, and Coach Moore hopes to annex both battles with the Presbyterians.

Obituary.

Sarah Elizabeth Job was born January 15, 1838, in Stephenson county, Illinois, and died February 20, 1913.

She, with her parents, moved to Andrew county, Missouri in 1855. She was married to Jonathan Wohlford, April 5, 1856, who survives her, and with whom she shared the joys and sorrows of fifty-six years.

They lived in Andrew county about two years, then moved to Nodaway county, and settled on the place where they now reside.

To this union six children were born—Mary L., Samuel A., William D., George C., Nora E. and Ireby E. All survive her but Mary L. Perkins. There are twenty-seven grandchildren, eight great-grandchildren. All attended the funeral but four of the great-grandchildren.

The deceased was a sufferer for the past few months, but death came suddenly. She united with the Reorganized Church of Jesus Christ of Latter Day Saints May 24, 1893, at Fairview school house and was confirmed in the faith by C. Williams and W. C. Madison. The space left vacant by her will be hard to fill. She lived her life every day as a Christian woman, and heaven is richer by her being taken from us.

The funeral services were conducted in the home February 22, 1913, by Rev. J. E. McCard of Stewartsville.

A large congregation was present to pay its tribute of respect and love.

Interment was in the Barnard cemetery.

A very enjoyable day was spent Sunday at the home of Timothy Akire, four and a half miles southwest of Barnard, being his fifty-first birthday. A crowd of eighty-three of his relatives, with well filled baskets, gathered about dinner time. He received several presents. Those present were: Mr. Dick Goff, Mr. and Mrs. James Thrasher and family, Mr. and Mrs. Ray Thrasher, Mr. and Mrs. Ralph Thrasher, Mr. and Mrs. Pearl Jackson and family, Mr. and Mrs. Jess Jackson and family, Mr. and Mrs. Loren Monroe and family, Mr. and Mrs. Walter Campbell and family, Mr. and Mrs. Lowell Campbell and family, Mr. and Mrs. Warren Campbell and family, Mr. and Mrs. Will Snyder and family, Mr. and Mrs. Dwight Davis, Mr. and Mrs. Ray Davis, Mr. and Mrs. Bernie Elliott, Mr. and Mrs. Will McBride, Mr. and Mrs. Elvit McBride and family, Mr. and Mrs. Andrew Sutton, Mr. and Mrs. Homer Brown, Mr. and Mrs. Leonard Miller, Messrs. Japanese Party for Bride-Elect.

The Sigma Delta Chi sorority girls gave a Japanese party Saturday evening at the home of Miss Nelle Hudson, in honor of Miss Estella Lois Mason, one of their members, who will become the bride of Mr. Burt K. Lewis of this city Wednesday. The guests were all in Japanese costume and sat on the floor throughout the evening in true Japanese fashion, playing progressive games and partaking of nuts and salted almonds. Upon the arrival of the guests a waffle supper with a fruit course was served from the table in the dining room. The table was all in white. The centerpiece was a cut glass vase of white carnations on a plate glass mirror that was bordered with the same flowers. White candles in crystal candlesticks with white shades were prettily arranged, while a large Japanese parasol suspended from the ceiling above the table, lighted by small Japanese lanterns around its edge, made a charmingly rich color effect. After the games Miss Jane Hinote sang a Japanese love song, when a Japanese parasol, about which was tied many packages, was brought in and presented to Miss Mason. The packages contained a beautiful "linen shower," and consisted entirely of cluny lace and hand embroidered things. Those present aside from the honor guest, were Miss Golda Airy, Miss Lois K. Halley, Miss Margaret McDougal, Miss Jane Hinote, Miss Ella Richard, Mrs. Emmett Scott, Miss Alice Ficklin, Miss LaRue Kemp, Miss Lora Stockton, Miss Jeanette Cottrill, Miss Hettie Anthony, Miss Phyllis Sayler, Miss Jessie Mutz, Miss Mary Ogden, Miss Grace Langan, Miss Bess Porter, Miss Nelle Hudson.

Sarprised by Their Neighbors.

Mr. and Mrs. R. J. Montgomery, living south of Maryville, were surprised Sunday by their neighbors, who came to spend the day with them, bringing baskets of good things to eat, that made a glorious feast. Mr. and Mrs. Montgomery and their family are going to leave the neighborhood soon to make their home on a farm near Pickering, and this was the cause of the gathering. Several were kept from coming on account of the cold day and sickness. Those in the party were Mr. and Mrs. W. C. Hogan, Mr. and Mrs. W. R. Taylor and family, Mr. and Mrs. Woodrow Davis and family, Mr. and Mrs. George Coler and family, Mr. and Mrs. Dillard Palmer and two children, Messrs. Will, Harry and Carl Dempsey and Will Montgomery, a nephew of Mr. and Mrs. Montgomery.

P. E. O. Chapter Meeting.

Chapter L of the P. E. O. Sisterhood met Saturday afternoon, February 22, at the home of Mrs. J. C. Allender, with Mrs. Allender and Miss Carrie Hopkins as hostesses. During the business session the members were pleased to hear messages read from several non-resident members. Mrs. G. W. Fink, who made her home in Maryville for many years, sent pleasant greetings and a poem of her own composition, telling of her fair adopted state Kansas. Mrs. Goble, a member of chapter K. Iowa, and Mrs. Ira Richardson, a member of B. G., Missouri, were welcome guests.

The presence of American flags, hatchets and cherries reminded all present of the anniversary of the birth of George Washington. Mr. Ira Richardson of the Northwest Normal gave the guests an unexpected pleasure of "seeing sights" in Washington and other views related to the life of George Washington. Mr. Richardson gave an excellent talk while the various scenes were thrown on the canvas. His personal acquaintance with the nation's capital made the hour unusually interesting.

This meeting was the closing one of the official year and chapter L feels proud of the record that will be sent to the state chapter March 1st.

For many years the P. E. O. Sisterhood desired to establish a memorial of some kind, but was unable to decide upon a definite plan. A printing establishment in Iowa, a P. E. O. home in Colorado, and several other plans were discussed. More than five years ago at the supreme convention the Sisterhood voted to make that memorial an educational fund. So the slogan of "Pass Education On" was adopted and we now have a loan fund devoted to the purpose of helping worthy girls to an education with a view to self support. The money is loaned at a very low percent of interest and no security is required. The applicants need not be P. E. O's. The loan to any one applicant is limited to $400. There are sixty-nine girls on the list of proteges, represented by notes to the amount of about $18,000.

Mrs. Helen D. Townsend, chairman of the educational fund, says. While we do not expect to rival Carnegie or Rockefeller by the magnitude of our contributions to the cause of education, we feel that our loan fund may in time assume such proportions that it will be reckoned as one of the great altruistic institutions of the country, and with the full strength of our 14,000 members we intend to push education on.

IF CONSTIPATED OR BILIOUS—"CASCARETS"

No Biliousness, Headache, Sick, Sour Stomach, Indigestion, Coated Tongue or Constipation.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headache comes from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too—Advertisement.

SUPREME COURT DECIDES FOR U. P.

Railroad's Claim to Right-of-Way 400 Feet Wide Sustained.

STRIP EXTENDS TO DENVER.

Begins at Hundredth Meridian, About Center of Nebraska—Fencing of Narrower Strip Does Not Destroy Title—Grant by Congress is Issue.

Washington, Feb. 25.—The claim of the Union Pacific Railroad company that congress had granted it a right of way 400 feet wide from the 100th meridian, about the middle of the state of Nebraska, to Denver, Colo., and had not lost it by fencing in a narrower width, was upheld by the supreme court.

The supreme court also ended the attack of the St. Louis, Iron Mountain and Southern Railway company upon the validity of the Barker act of Arkansas, which required the furnishing of cars upon request of shippers, by directing the dismissing of the railway's suit in the federal courts of that state.

The court declined to annul the law as being a regulation of interstate commerce, but did not find it necessary to decide the validity of the law from all attacks because of the showing made in the bill instituting the suit.

WESTERN PACIFIC OBJECT

Dissolution Plan is Presented to Court at St. Louis.

St. Louis, Feb. 25.—Objection to the plan for the dissolution of the Union Pacific-Southern Pacific merger was filed before the United States circuit court of appeals when Attorney General Wickersham and Robert S. Lovett, chairman of the executive committee of the Union Pacific, appeared to explain the plan to the court.

The objection was filed by F. W. M. Cutcheon, attorney for the Western Pacific Railway company, who asked a modification in the plan.

During the course of the argument Judge Hook, who, with Circuit Judges Sanborn and Smith, is to pass on the plan, said:

"I do not want this decree to become a judicial travesty."

Commission Denies U. P. Request.

San Francisco, Feb. 25.—The state railroad commission denied the application of the Union Pacific for a 999-year lease of the Southern Pacific line east from Oakland to Benecia.

Widow of Captain Scott Honored.

London, Feb. 25.—The widow of Captain Robert F. Scott, the Antarctic explorer, henceforth will be known as Lady Scott. King George bestowed on her "the same rank, style and precedence" as if her husband had been nominated a knight commander of the Bath, as he would have been had he survived.

ANOTHER CONVICTION IN THE ARSON TRUST

Insurance Broker Found Guilty by New York Jury.

New York, Feb. 25.—The [illegible] arson trust was dealt another blow when the second of a score of alleged members under arrest here was convicted.

A supreme court jury deliberated less than an hour before finding George C. Grutz, an insurance broker, guilty of arson in the second degree. Justice Goff remanded him for sentence Friday, when Grutz and Robert J. Rubin, an insurance adjuster, who was convicted last week, will face a maximum prison term of twenty-five years.

Grutz, like Rubin, was arrested after Isidor Stein, a Sing Sing convict, known as "Izzy the Painter," confessed his work of incendiarism through which insurance companies lost heavily by fraudulent collection on policies.

Grutz wept when convicted and shouted that he was a victim of perjured testimony.

TWO LABOR UNIONS SUED

Chicago Electricians Charged With Breaking Sherman Law.

Chicago, Feb. 25.—Two local unions of the International Brotherhood of Electrical Workers were sued by the federal government here under the Sherman anti-trust law for alleged interference with messages of the Postal Telegraph Cable company in interstate commerce. Local unions Nos. [illegible] and 134 are named as defendants.

As part of the labor war against the telegraph company the government charges the officers and employees of the unions with combining and conspiring, through acts of violence and depredations, to injure the Postal telegraph wires, to interfere with the transmission of government and commercial messages in interstate commerce.

Clothing Workers Get Raise.

New York, Feb. 25.—As the result of a conference between M. J. Reagan, state industrial mediator, and Thomas A. Rickert, president of the United Garment Workers' union, it was announced that 10,000 men and women employed by the members of the Association of Boys' Clothing Manufacturers of New York, who have been on a strike for two months, would return to work this week. The agreement, it was announced, provides for a wage increase from $1 per week to 10 per cent per week.

Henwood Not to Be Tried.

Denver, Feb. 25.—Harold F. Henwood will not be tried on the charge of killing Tony von Phul, St. Louis balloonist, in the barroom of a Denver hotel on the night of May 24, 1911. Judge Butler dismissed the Von Phul charge on the ground that three terms of court had elapsed since the filing of the information, during which the defendant had not been brought to trial. The attorney for Henwood immediately moved to dismiss the case in which Henwood is charged with killing George E. Copeland.

MARVELOUS CLAIRVOYANT

Reads Thoughts and Tells the Past and Future—Insists Upon Satisfaction to His Clients.

The success which has attended the marvelous manifestations of Mr. Bauer since his arrival in Maryville constitutes a tribute to his ability which is impossible to over-estimate. It is no exaggeration to say that each successive day has witnessed the delight and astonishment of scores of applicants who tested his powers.

One of the things upon which Mr. Bauer justly prides himself is the high class of his clientele. Those who consult him are the very best people of Maryville, not superstitious, fanatical or ignorant persons, but men and women of rare intelligence and judgment.

As has been frequently stated in the Maryville papers, Mr. Bauer is a man whose statements need no verification other than he is able to give them through his wonderful powers. Mr. Bauer, it must be truthfully said, employs none of the mysterious machinery which often serves to make spiritual manifestations suspicious. He impresses his gift upon the people who consult him without the employment of a single mechanical agency. In fact, he makes his clients understand that the power to read and see hidden things lies within him and it is not to be brought into action through the aid of inanimate influences.

Therefore it must be said that Mr. Bauer is of the very highest class of clairvoyants. His belief is that the material heavens have a moral influence over the earth and its inhabitants. There are some wiseacres who scoff at this idea, not knowing, perhaps, that the first study of the heavens embraced and dominated over every other attempt at science. Astrology was the beginning of science, the first encpclopedia of the world. In the ancient ages physicians consulted the stars and gave nostrums. The cosmogonists explained the earth by the influence of the heavens. The Zodiac was the first book that lay open for all to read.

Ladies and gentlemen can visit Mr. Bauer without fear of having their confidence betrayed, as he considers his business a sacred trust. Mr. Bauer can be consulted daily at private residence, 322 North Mulberry street, corner of Fourth, the Maplehurst.

Hours—9 a. m. to 8 p. m. daily; 10 to 4 Sundays.

Readings $1.00, no more and no less. Mrs. Bauer receives all callers.

Notice—Positively no one seen after hours and no young ladies under 18 given readings unless accompanied by parents or guardians.—Advertisement.

MEXICO TURNING TO ELECTIONS

Ambassador Wilson Issues Statement on Situation.

FRIENDLY TO UNITED STATES.

Killing of Madero and Suarez Without Official Approval—Diaz, De La Barra and Gomez Enter Campaign for the Presidency.

Mexico City, Feb. 25.—The American ambassador, Henry Lane Wilson, made the following statement regarding the death of Madero and Suarez:

"In the absence of other reliable information I am disposed to accept the government's version of the manner in which the ex-president and ex-vice president lost their lives. Certainly the violent deaths of these persons were without government approval, and if the deaths were the result of a plot it was of restricted character and unknown to the higher officers of the government.

"Mexican public opinion has accepted this view of the affair and it is not at all excited. The present government appears to be revealing marked evidence of activity, firmness and prudence, and adhesion to it, as far as I have been able to ascertain, is general throughout the country, indicating the early re-establishment of peace.

"The government as constituted is very friendly to the United States and is desirous of affording every protection to all foreigners.

"For the present American public opinion should deal with the situation calmly, and accept with great reserve the lurid and highly-colored stories which are being furnished by some few correspondents. The great majority of the correspondents here are endeavoring to deal fairly with the situation."

Turning to Elections.

Confidence in the new administration is growing in the capital, conservative Mexicans and foreigners regarding what appears to be a probable military regime to be the solution of the present difficulty. A revulsion of sentiment has been caused by the death of Francisco Madero and Pino Suarez, but the great majority of the Mexican people merely shrug their shoulders. It is likely that there are few chapters of that tragedy still to be written.

One paper in Mexico City denies the stories of the attack on the Madero guard, declaring the affair was carried out in accordance with prearranged plans, but the Mexican government appears honest in its endeavor to place the facts before the world by means of a judicial investigation. This investigation probably will not be concluded for some days.

Already the political world is turning to the elections. It is said General Felix Diaz will have as his opponents in his candidacy for the presidency, Francisco de la Barra, the present minister of foreign relations; Rodolfo Reyes, son of General Bernardo Reyes, who was killed in the first attack on the palace, and Dr. Francisco Vazquez Gomez. Friends have begun a campaign in behalf of these various candidates. The holding of the elections will depend on the state of the country, but President Huerta insists on a free choice of the people when peace is restored.

Rebels Continue Active.

Reports are not altogether reassuring from the states of Coahuila, Nueve Leon and San Luis Potosi, in which the rebels are committing depredations. The Zapatistans in the south are giving trouble and it is reported that one town in the state of Puebla has been sacked. This, however, is characterized by the government as the work of a small and insignificant portion of the rebel army in the south and is due, perhaps, to ignorance of developments in the capital.

It is said that the new revolution attempted by Emilio and Raol Madero brothers of the late president, is making little headway.

MONEY FOR MISSOURI RIVER

Bill Passes Senate for $375,000 North of Kansas City.

Washington, Feb. 25.—The river and harbor bill which passed the senate carried an appropriation of $375,000 for improving the Missouri river between Kansas City and Fort Benton. Of this $150,000 is to be used between Kansas City and Sioux City and the balance is to be used from Sioux City to Fort Benton, with the provision that $25,000 of this sum is to be used in improvement work at Elk Point, S. D., and is to be immediately available.

TEXAS MILITIA TO THE FRONT

Governor Colquitt Orders Troops to Proceed to Brownsville.

AMERICANS ARE THREATENED.

Government Fears a Clash Between Federal and State Troops and Orders General Steever to Send Force to Brownsville at Once.

Austin, Tex., Feb. 25.—Governor O. B. Colquitt ordered four companies of the Texas state militia to proceed to Brownsville with all haste, when it was reported to him that Americans had been arrested and held for ransom at the Mexican town of Matamoras, across the boundary from Brownsville, when they refused to contribute $20,000 to the officials in charge of Matamoras.

The governor also sent this message to Captain Head, in command of the Brownsville company of the Texas national guard:

"Notify Mexican commander at Matamoras, who is demanding money, that if he harms a single Texan his life will be demanded as a forfeit."

The governor received the following telegram from Captain Head, sent at the request of the sheriff of Cameron county:

"Have just received message from Consul Johnson at Matamoras. Can you authorize me to cross river at order of the consul to protect the consulate and American interests? Demand made on Americans last night."

The governor telegraphed Captain Head as follows:

"Telegram received. Do not cross river unless you receive orders to do so. Request American consul and Americans to come to Brownsville."

Governor Colquitt has repeated the message from Captain Head to the officer in charge of the United States troops at Houston.

Uncle Sam Steps In.

Washington, Feb. 25.—A serious clash may result between federal troops and the Texas national guard at Brownsville, Tex., should the latter attempt to cross the Rio Grande to the relief of Americans, alleged to be imperilled in Matamoras, Mex. When the war department learned that Governor Colquitt had issued orders for four companies of Texas militiamen to proceed to Brownsville, orders were telegraphed at once to Brigadier General Steever, in charge of the federal troops on the border, to send to Brownsville such a force as he deemed necessary and under no circumstances to permit the crossing of the river except upon specific orders of the secretary of war.

TROOPS GO TO GALVESTON

Ten Thousand Men to Assemble at Convenient Port.

Washington, Feb. 25.—Military orders flew thick and fast in redemption of President Taft's promise to have an army of 10,000 men assembled at Galveston, the most convenient port to Mexico, all equipped for foreign service and ready to execute any order that his successor might choose to issue on the basis of conditions that will exist after March 4. These orders on the whole were supplementary to those which began to flow from the war department last week and were calculated to insure the assemblage of the Second division of the reorganized army at or in the neighborhood of Galveston.

The completion of the orders to move the entire Second division is intended as further warning to Mexico that there will be no departure from the established policy of preparedness in the remaining week of President Taft's administration. All plans for the possible sending of troops into the republic on the south will continue to be carried out. This course is justified on the ground that any cessation in the closing days, or even hours, of the Taft administration might be seized hold of by a strike at Americans which could not be adequately overcome should officials relax their vigilance.

Major General William H. Carter who commands the Second division was ordered from Chicago to Galveston. The Fifth brigade of the Second division is already moving under previous orders to Galveston, as is the Fourth field artillery, composed of mountain batteries.

Clean Streets for Inauguration Day.

Washington, Feb. 25.—Despite the fact that the weather bureau has promised Washington clear and bright weather for inauguration day, the street cleaning department of the city proposes to be prepared for a repetition of the blizzard that marred the inauguration four years ago. A large force of men has been thoroughly organized.

Charges Against Golden Rule Chief.

Cleveland, Feb. 25.—After a conference here between Mayor Baker and Chief of Police Kohler, the mayor announced that charges have been filed with him against Kohler. The charges allege misconduct.

Girls' College Burns Down.

Liberty, Mo., Feb. 25.—The Liberty Ladies' college was burned here. Sixty girl students were in the dining hall when the fire was discovered, and left the building in safety.

IS BADLY MIXED

INNOVATIONS OF LIFE AT CAPITAL HAS BILLY JOB GUESSING.

ADVERTISE THE COUNTY

Resources of Nodaway Recited in Entertainment at Lincoln Institute—Learns New Way to Fish.

(By William Job.)

Jefferson City, Feb. 24.—This is a very busy time for all those connected with the assembly. The house is several days behind the senate in work and will most likely hold night sessions a part of this week to catch up. A bill introduced in either house now would not likely get through in the time limit unless it was given a clear road. My chief has been gone a part of the time of late and I have had the oversight of all the work in the engrossing office, which has kept me going some. We have just completed the engrossment of the public utilities bill that contains 148 printed pages, and the Joplin-Springfield franchise bill that contains 153 pages besides the amendments, and besides about fifty smaller bills within a few days and have something like forty bills for today.

The county unit bill had easy going in the house, but it looks like it would have hard sledding in the senate. It is tied up in the hands of the committee now and may never be reported out favorable.

The assembly made short work of the bill making it mandatory on the court to grant a continuance in a case where an attorney in the case was a member of the assembly and was attending to his duties at the capitol. It has passed both houses.

Mr. Craig's while slave law has passed the senate with a few amendments. There have been hundreds of petitions read in the assembly asking that this become a law.

The senate has passed the house bill which authorizes the state funds be loaned out in one-eighteenth parts of the whole amount. This will give country banks some of the money.

Senator Casey's bill has been ordered engrossed prohibiting the use of any coloring matter in oleomargarine, and provides that when it is placed on a table for consumption it must be plainly branded so that any one can tell what it is.

Governor Majors' bill establishing a board of pardons and paroles has passed the senate without a dissenting vote and has gone to the house.

The senate also passed Allee's bill providing a method enabling students and traveling men absent from home to cast their ballots by registered mail.

After a joint caucus lasting six hours the St. Louis home rule bill was amended so that all factions were fairly well satisfied, and it will be pushed through without delay and will be given a tryout in the April election.

There is a bill in the house and I think it will become a law, prohibiting any person from soliciting money or anything else from any candidate for office, and making a penalty of from two to five years in prison.

Senator Craig's bill prohibiting the use of snag lines in fishing was up for engrossment the other day. Most of the other senators did not know what constituted a snag line. Senator Craig produced a section of a "snag line" closely strung with hooks. He explained that these lines were placed in small streams and lakes and rendered the passage of fish next to impossible without being hooked.

Senator Buford said the bill would interfere with taking fish on trot lines.

Senator Craig explained that trot lines are baited and "snag lines" are bare of bait.

Senator Brown wanted to know if there was anything in the bill to prohibit "toe fishing." Senator Craig said he had never heard of that method of taking fish.

"It is easy," said Senator Bronson. "The fisherman buries his bare leg and feet up to the toes in the mud. He can then go to sleep, for when a fish bites his toe he will awaken and pull the prize in. Lots of this kind of fishing in Christian county."

Half a dozen other senators took a fall out over the bill and then voted to engross it.

"The students of the Lincoln institute, the state school for colored boys and girls, entertained the members of the assembly and the clerks at the Jefferson theater Tuesday night of last week. Music, songs and recitations and a few short talks on the resources of the state were given. In these talks the names of only two counties were used, and Nodaway was one of them. This is a great school. The colored children are taught all kinds of business, and actually engage in the work. Their entertainment was fine.

Two years ago I saw very few lobbyists here, but there seems to be plenty of them here now. They seem to be getting tame on the anti-lobby bill.

It seems to me that I've got pretty badly mixed up down here this time. The lady I rent my room from has sixteen brothers and sisters. The lady where I board is the oldest of thirty-two children in one family. I sleep with a Bull Moose, and take a bath once a week. Now what do you think of that?

Prof. W. M. Oakerson spent a couple of days here lately attending a meeting of the educators of the state. Prof. Oakerson is rated by the state school officials as the best superintendent of schools in the state. Ellis G. Cook was here a few days ago attending to legal business, and also made a fine talk before the committee on criminal jurisprudence. Hon. John W. Morris was also here in conference with Governor Major.

Died at Parnell.

James Leander Robinson, who lived six miles east of Parnell, died at his home Sunday afternoon at 1 o'clock, after a few hours' illness. The funeral services were held Tuesday afternoon at the M. E. church in Parnell by Rev. Smith of Sheridan. Mr. Robinson was born in Richland county, Ohio, September 10, 1854, but grew to manhood in Wisconsin. He came to Nodaway county in early manhood and had lived here since. He married Sarah Batson of this county, who survives with four children, Mrs. Alta Anderson of Gibbon, Neb.; Lon Robinson of British Columbia, James and William Robinson of Parnell.

Death of a Tiny Baby.

Mr. and Mrs. Willfong of Graham were bereaved Monday of the tiny baby daughter born to them last Saturday. The baby weighed one pound and three-quarters. She was perfectly formed and her hair was luxuriant. The funeral services were held Tuesday afternoon at the home. Mr. and Mrs. Willfong have twelve other children.

Mr. and Mrs. Levi Wallace and family, who have lived many years near Elmo, are moving Tuesday to the Lee farm one mile northeast of Maryville, which they have recently purchased. Mrs. Wallace and her daughter, Miss Hazel, were accompanied to Maryville Tuesday by Mrs. Nellie Collins.

Mrs. Robert D. Campbell of Chicago arrived in Maryville Monday evening for a few weeks' visit with her mother, Mrs. Anna Messenger, and her daughter, Marcia Roxanne Cutler. Mrs. Campbell is just recovering from a surgical operation she underwent in January.

THEY COULD NOT GO.

Mr. Paul Van Katwijk Charms His Auditors so Much They Were Not Willing to Go Home.

The audience that heard Paul Van Katwijk at the First M. E. church Monday night paid him a fine compliment by refusing to go when he had played his last number, a brilliant rhapsodie; or was it because his hearers could not follow him and did not know when he had done. Anyway, after he had retired from the rostrum for five minutes or more, and they still sat waiting, our best music critics and all, Mr. Katwijk came out and modestly told them his program was concluded. Then everybody smiled out loud and went home. Nobody attempted to explain why he did not go before, but the musicians and the rest did not care. They knew they had heard the sweetest music they had ever heard, and they wanted to hear more. It was the first time they had heard just such liquid notes from the piano, sometimes as soft and clear as a bird note.

Mr. Katwijk is splendid and unassuming in his work and appreciates appreciation. He left a most favorable impression of himself and his playing. His touch is extraordinarily light, warm and full, all these qualities of playing being brought out in a program of wide selection, his Chopin numbers seeming to be the favorites. The technical element in his playing is highly effective.

Lecture Course Tonight.

The fourth number of the Normal lecture course will be given tonight at the First Methodist church. Mr. John A. Gray, a noted lecturer, will talk on his most interesting subject, "Out of Work." This lecture deals with the conditions of the poverty stricken people of New York City. Mr. Gray spent a year with the unfortunates of that city, studying the existing conditions, and tonight's lecture should be of unusual interest.

The fifth and last number of the course will be a concert by the Euclid Male Quartet on the night of March 24.

Left for Kansas City.

Mrs. Emma Cloud and daughter, Marie, went to Kansas City Monday evening. Marie will be treated at the tuberculosis sanitarium in that city as the patient of her uncle, Dr. H. E. Young.

Visited at the Junction.

Mr. and Mrs. R. J. Houston of Hopkins were in Maryville Monday, returning home from a week-end visit at Burlington Junction with Mr. and Mrs. Lewis Yaple and Mr. and Mrs. W. N. Houston.

TO SPELL FRIDAY

COUNTY CHAMPIONSHIP WILL BE DETERMINED THEN.

HE GAVE WAY TO A GIRL

Gallant Act of Jefferson Township Boy That Merits Recognition—Arrangements for the County Contest.

The county spelling contest will be held at the high school auditorium on Friday. The written spelling contest will begin at 4 p. m. in the afternoon of that day, and the oral contest will be held in the evening. The evening program will begin at 7.30 and the first thirty minutes of the program will be given to Miss Alma Nash's orchestra, and at 8 o'clock p. m. the oral spelling contest will begin. The words will be taken from Hunt's progressive speller and the contest will begin at page 100 of the book.

The judges for the written contest are Misses Mamie Dooley, Mary Ford, Phyllis Sayler, Nell Hudson and Golda Airy.

The pronouncers for the written contest are Superintendent C. A. Hawkins and Prof. B. F. Duncan.

The judges for the oral contest are Prof. B. F. Duncan, Prof. T. H. Cook and Prof. H. P. Swinehart.

The pronouncers for the oral contest are Prof. E. L. Harrington and Prof. V. I. Moore.

The spellers that will represent Washington township at the county contest are Orice Wallace, Pleasant View school; May Rayl, White Oak, and Ruth Manship, Lincoln.

Jefferson township spellers are Agnes Lager, North Wildcat school; Regina Abels, South Wildcat school, and Alphonse Luke, South Wildcat school.

The Jefferson Township Contest.

A large crowd was in attendance at the spelling match held at Clyde Saturday afternoon that determined who whould represent Jefferson township in the Nodaway county spelling contest to be held in Maryville.

The judges were Charles Teson, Roy Fitzsimmons, J. J. Enis and Miss Ruth Hobbs.

Miss Louise McCann and Miss Mabel Merrigan pronoun ed the words to the following contestants: Lizzie and Regina Ables of the South Wildcat school; Joe and Irene Growney of Bristle Ridge school; Mabel Felix, Agnes Kimmet and Roland Merrigan of the Clyde school; Carrie Bishop, Irene Corcoran and Hazel Purcell of the Conception Junction school; Agnes Lager, Agnes Coppersmith and Alphonse Luke of the North Wildcat school.

In the first round of spelling all the contestants wrote 180 words, spelling them correctly.

In the next round they spelled 320 words orally, four of the spellers, Lizzie and Regina Ables, Alphonse Luke and Agnes Lager, trying for honors.

The four then spelled 180 words, Lizzie tripping on a word, and in the next round of 180 words Regina Ables dropped out.

This left the field to Agnes Lager and Alphonse Luke. They spelled 320 words, Alphonse Luke purposely tripping on the last word, "fervor," spelling it "furver" at first, then correcting himself, so that Agnes Lager might win the gold medal offered by Rev. Fr. Frowin, and taking the silver medal himself.

That's gallantry of the genuine type. Who said these were degenerate days!

Rev. Fr. Frowin of St. Benedict's church of Clyde made the offer of two medals, first and second prizes, to the spellers winning those places in the county contest for Jefferson township, when the matter of a spelling contest was first brought up, and the students have been working hard on their spelling books ever since. Now somebody ought to give Alphonse Luke a gold medal for so gallantly giving up the gold medal to a girl. That boy has established a new order of knighthood, and it should be recognized.

Kansas Visitor Leaves.

Mr. O. J. Fowler of Wichita, Kan., who has been visiting her parents, Mr. and Mrs. F. L. Saunders, five and a half miles southwest of Maryville, left for her home Monday evening.

Residents of Bedison Sick.

Mr. and Mrs. T. C. Wright of Bedison were taken sick Monday with the grip and required the attendance of a physician. They are among the oldest residents of the county.

Mrs. P. J. Lahr is visiting her mother, Mrs. Rosa Harmon of Pickering.

FUNERAL WEDNESDAY.

Services for Mrs. John Martindale at 9 o'Clock Wednesday Morning.

The funeral services for Mrs. John Martindale of Clyde, who died Monday morning will be held at 9 o'clock Wednesday morning at St. Benedict's church in Clyde and will be conducted by Rev. Fr. Frowin, the pastor. Burial will take place at St. Columbus cemetery at Conception.

Mrs. Martindale's maiden name was Helen Cambron. She was born at Fountain Green, Hancock county, Ill., March 13, 1839. She was married there to John Martindale, forty-nine years ago last November. They came to Nodaway county in 1883 and settled on a farm northeast of Clyde. In 1890 they moved to Clyde and went into the hotel business, which they conducted until 1900, when they moved to their present home in Clyde. Mrs. Martindale is survived by her husband and three children:—Mrs. James McCarty, and Mrs. Tom McGarry and R. B. Martindale, all of Clyde. One brother, Andrew Cambron, of Centerville, Ia., also survives.

Mrs. Martindale was highly esteemed by the people of the Clyde community, especially the young people. While hostess of the hotel she more than performed her duties and to all the young men who made their home there she took such kindly interest in them that they looked upon her as a mother.

TARKIO BEATEN AT CAMERON.

Comparative Scores Give Normal Margin Over Tarkio for Coming Game.

When it was learned Tuesday noon that Missouri Wesleyan basket ball team defeated Tarkio last night at Cameron by a score of 44 to 24, Normal basket ball for the game next Thursday night with Tarkio for the amateur championship of Northwest Missouri took a sudden leap. When Normal was defeated by Wesleyan at Cameron several weeks ago by a score of 43 to 28, it was the third consecutive game for Normal in as many nights, and Vern Seymour, the Normals' brilliant guard, was not with the team, while the game last night was the first of the trip for Tarkio. The comparative scores give the Normal a five point margin, even under those difficulties.

Coach Moore is putting his men through the hardest practice of their careers for the big battle Thursday night. Vern Seymour, who has been out of the line-up in the last two games, on account of sickness, was in the harness again at Monday's practice and displayed all of his old-time cleverness. The entire squad is in excellent condition, and Coach Moore hopes to annex both battles with the Presbyterians.

Governor Major also appointed two other members on Monday of the board of managers of this institution. They were J. A. Postlewaite of Tarkio, to succeed W. C. Pierce of this city, and Smith Penny of St. Joseph to succeed Dr. Jacob Geiger of that city.

The appointment of Mr. Baker is the first recognition that Nodaway county has received from the new governor, and his selection will meet with the approval of the people. Mr. Baker is well fitted to serve as a member of the board.

Mr. Baker was in Jefferson City Monday afternoon when the Governor appointed him. Governor Major had requested him to come to Jefferson City.

A rumor from Jefferson City says that the governor will make his board of regents appointments after his return from Washington the latter part of next week.

Obituary.

Sarah Elizabeth Job was born January 15, 1838, in Stephenson county, Illinois, and died February 20, 1913.

She, with her parents, moved to Andrew county, Missouri in 1855. She was married to Jonathan Wohlford, April 5, 1856, who survives her, and with whom she shared the joys and sorrows of fifty-six years.

They lived in Andrew county about two years, then moved to Nodaway county, and settled on the place where they now reside.

To this union six children were born—Mary L., Samuel A., William D., George C., Nora E. and Ireby E. All survive her but Mary L. Perkins. There are twenty-seven grandchildren, eight great-grandchildren. All attended the funeral but four of the great-grandchildren.

The deceased was a sufferer for the past few months, but death came suddenly. She united with the Reorganized Church of Jesus Christ of Latter Day Saints May 24, 1893, at Fairview school house and was confirmed in the faith by C. Williams and W. C. Madison. The space left vacant by her will be hard to fill. She lived her life every day as a Christian woman, and heaven is richer by her being taken from us.

The funeral services were conducted in the home February 22, 1913, by Rev. J. E. McCard of Stewartsville.

A large congregation was present to pay its tribute of respect and love.

Interment was in the Barnard cemetery.

Obituary of Mr. Charles.

He was married to Mary Angeline Hill of near Belleville, Ill., April 17, 1885. To this union were born Arthur Hamilton, Edwin Russell, Henry Martin, John Wesley, Franklin Levin, Ellen Edith, Eva Jane, Pamelia Grace, Matilda May, Mary Olive and Cyrus Wright. All survive their father except Arthur Hamilton, John Wesley and Matilda May. He is also survived by his brothers, Albert L., James M., Jacob L. Newton W., and William A.

He moved to this state from Illinois March 5, 1872, and has resided here ever since. We was converted to the Lord when he was 24 years of age and has been a consistent member of the M. E. church ever since.

The funeral services were conducted by Rev. W. E. Royston Saturday at the Swan Chapel church and his body laid to rest in the adjoining cemetery.

May the life he lived be an inspiration to those left behind, and may his God be their God.

His Ninety-First Birthday.

Mr. and Mrs. John Rasco of Barnard entertained fifty-four guests Monday, who were relatives or near friends, in honor of Mr. Rasco's father, S. H. Rasco, who was 91 years old that day. The guests brought baskets of things to eat and a great feast of good things was spread at noon. The guest of honor enjoyed the occasion greatly. He has been a resident of Nodaway county since 1845, coming here from North Carolina, making short stops in Platte and Buchanan counties before coming to this county. He was taken quite sick Tuesday morning about 9 o'clock and his condition was worse Tuesday afternoon.

Birthday Surprise Dinner.

A very enjoyable day was spent Sunday at the home of Timothy Akire, four and a half miles southwest of Barnard, being his fifty-first birthday. A crowd of eighty-three of his relatives, with well filled baskets, gathered about dinner time. He received several presents. Those present were: Mr. Dick Goff, Mr. and Mrs. James Thrasher and family, Mr. and Mrs. Ray Thrasher, Mr. and Mrs. Ralph Thrasher, Mr. and Mrs. Pearl Jackson and family, Mr. and Mrs. Jess Jackson and family, Mr. and Mrs. Loren Monroe and family, Mr. and Mrs. Walter Campbell and family, Mr. and Mrs. Lowell Campbell and family, Mr. and Mrs. Warren Campbell and family, Mr. and Mrs. Will Snyder and family, Mr. and Mrs. Dwight Davis, Mr. and Mrs. Ray Davis, Mr. and Mrs. Bernie Elliott, Mr. and Mrs. Will McBride, Mr. and Mrs. Elvit McBride and family, Mr. and Mrs. Andrew Sutton, Mr. and Mrs. Homer Brown, Mr. and Mrs. Leonard Miller, Messrs. Japanese Party for Bride-Elect.

The Sigma Delta Chi sorority girls gave a Japanese party Saturday evening at the home of Miss Nelle Hudson, in honor of Miss Estella Lois Mason, one of their members, who will become the bride of Mr. Burt K. Lewis of this city Wednesday. The guests were all in Japanese costume and sat on the floor throughout the evening in true Japanese fashion, playing progressive games and partaking of nuts and salted almonds. Upon the arrival of the guests a waffle supper with a fruit course was served from the table in the dining room. The table was all in white. The centerpiece was a cut glass vase of white carnations on a plate glass mirror that was bordered with the same flowers. White candles in crystal candlesticks with white shades were prettily arranged, while a large Japanese parasol suspended from the ceiling above the table, lighted by small Japanese lanterns around its edge, made a charmingly rich color effect. After the games Miss Jane Hinote sang a Japanese love song, when a Japanese parasol, about which was tied many packages, was brought in and presented to Miss Mason. The packages contained a beautiful "linen shower," and consisted entirely of cluny lace and hand embroidered things. Those present aside from the honor guest, were Miss Golda Airy, Miss Lois K. Halley, Miss Margaret McDougal, Miss Jane Hinote, Miss Ella Richard, Mrs. Emmett Scott, Miss Alice Ficklin, Miss LaRue Kemp, Miss Lora Stockton, Miss Jeanette Cottrill, Miss Hettie Anthony, Miss Phyllis Sayler, Miss Jessie Mutz, Miss Mary Ogden, Miss Grace Langan, Miss Bess Porter, Miss Nelle Hudson.

Surprised by Their Neighbors.

Mr. and Mrs. R. J. Montgomery, living south of Maryville, were surprised Sunday by their neighbors, who came to spend the day with them, bringing baskets of good things to eat, that made a glorious feast. Mr. and Mrs. Montgomery and their family are going to leave the neighborhood soon to make their home on a farm near Pickering, and this was the cause of the gathering. Several were kept from coming on account of the cold day and sickness. Those in the party were Mr. and Mrs. W. C. Hogan, Mr. and Mrs. W. R. Taylor and family, Mr. and Mrs. Woodrow Davis and family, Mr. and Mrs. George Coler and family, Mr. and Mrs. Dillard Palmer and two children, Messrs. Will, Harry and Carl Dempsey and Will Montgomery, a nephew of Mr. and Mrs. Montgomery.

P. E. O. Chapter Meeting.

Chapter L of the P. E. O. Sisterhood met Saturday afternoon, February 22, at the home of Mrs. J. C. Allender, with Mrs. Allender and Miss Carrie Hopkins as hostesses. During the business session the members were pleased to hear messages read from several non-resident members. Mrs. G. W. Fink, who made her home in Maryville for many years, sent pleasant greetings and a poem of her own composition, telling of her fair adopted state Kansas. Mrs. Goble, a member of chapter K, Iowa, and Mrs. Ira Richardson, a member of B. G., Missouri, were welcome guests.

The presence of American flags, hatchets and cherries reminded all present of the anniversary of the birth of George Washington. Mr. Ira Richardson of the Northwest Normal gave the guests an unexpected pleasure of "seeing sights" in Washington and other views related to the life of George Washington. Mr. Richardson gave an excellent talk while the various scenes were thrown on the canvas. His personal acquaintance with the nation's capital made the hour unusually interesting.

This meeting was the closing one of the official year and chapter L feels proud of the record that will be sent to the state chapter March 1st.

For many years the P. E. O. Sisterhood desired to establish a memorial of some kind, but was unable to decide upon a definite plan. A printing establishment in Iowa, a P. E. O. home in Colorado, and several other plans were discussed. More than five years ago at the supreme convention the Sisterhood voted to make that memorial an educational fund. So the slogan of "Pass Education On" was adopted and we now have a loan fund devoted to the purpose of helping worthy girls to an education with a view to self support. The money is loaned at a very low per cent of interest and no security is required. The applicants need not be P. E. O's. The loan to any one applicant is limited to $400. There are sixty-nine girls on the list of proteges, represented by notes to the amount of about $18,000.

Mrs. Helen D. Townsend, chairman of the educational fund, says. While we do not expect to rival Carnegie or Rockefeller by the magnitude of our contributions to the cause of education, we feel that our loan fund may in time assume such proportions that it will be reckoned as one of the great altruistic institutions of the country, and with the full strength of our 14,000 members we intend to push education on.

IF CONSTIPATED OR BILIOUS—"CASCARETS"

No Biliousness, Headache, Sick, Sour Stomach, Indigestion, Coated Tongue or Constipation.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headache comes from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too—Advertisement.

SUPREME COURT DECIDES FOR U. P.

Railroad's Claim to Right-of-Way 400 Feet Wide Sustained.

STRIP EXTENDS TO DENVER.

Begins at Hundredth Meridian, About Center of Nebraska—Fencing of Narrower Strip Does Not Destroy Title—Grant by Congress is Issue.

Washington, Feb. 25.—The claim of the Union Pacific Railroad company that congress had granted it a right of way 400 feet wide from the 100th meridian, about the middle of the state of Nebraska, to Denver, Colo., and had not lost it by fencing in a narrower width, was upheld by the supreme court.

The supreme court also ended the attack of the St. Louis, Iron Mountain and Southern Railway company upon the validity of the Barker act of Arkansas, which required the furnishing of cars upon request of shippers, by directing the dismissing of the railway's suit in the federal courts of that state.

The court declined to annul the law as being a regulation of interstate commerce, but did not find it necessary to decide the validity of the law from all attacks because of the showing made in the bill instituting the suit.

WESTERN PACIFIC OBJECT

Dissolution Plan is Presented to Court at St. Louis.

St. Louis, Feb. 25.—Objection to the plan for the dissolution of the Union Pacific-Southern Pacific merger was filed before the United States circuit court of appeals when Attorney General Wickersham and Robert S. Lovett, chairman of the executive committee of the Union Pacific, appeared to explain the plan to the court.

The objection was filed by F. W. M. Cutcheon, attorney for the Western Pacific Railway company, who asked a modification in the plan.

During the course of the argument Judge Hook, who, with Circuit Judges Sanborn and Smith, is to pass on the plan, said:

"I do not want this decree to become a judicial travesty."

Commission Denies U. P. Request.

San Francisco, Feb. 25.—The state railroad commission denied the application of the Union Pacific for a 999-year lease of the Southern Pacific line east from Oakland to Benecia.

Widow of Captain Scott Honored.

London, Feb. 25.—The widow of Captain Robert F. Scott, the Antarctic explorer, henceforth will be known as Lady Scott. King George bestowed on her "the same rank, style and precedence" as if her husband had been nominated a knight commander of the Bath, as he would have been had he survived.

ANOTHER CONVICTION IN THE ARSON TRUST

Insurance Broker Found Guilty by New York Jury.

New York, Feb. 25.—The so-called arson trust was dealt another blow when the second of a score of alleged members under arrest here was convicted.

A supreme court jury deliberated less than an hour before finding George C. Grutz, an insurance broker, guilty of arson in the second degree. Justice Goff remanded him for sentence Friday, when Grutz and Robert J. Rubin, an insurance adjuster, who was convicted last week, will face a maximum prison term of twenty-five years.

Grutz, like Rubin, was arrested after Isidor Stein, a Sing Sing convict, known as "Izzy the Painter," confessed his work of incendiarism through which insurance companies lost heavily by fraudulent collection on policies.

Grutz wept when convicted and shouted that he was a victim of perjured testimony.

TWO LABOR UNIONS SUED

Chicago Electricians Charged With Breaking Sherman Law.

Chicago, Feb. 25.—Two local unions of the International Brotherhood of Electrical Workers were sued by the federal government here under the Sherman anti-trust law for alleged interference with messages of the Postal Telegraph Cable company in interstate commerce. Local unions Nos. 9 and 134 are named as defendants.

As part of the labor war against the telegraph company the government charges the officers and employees of the unions with combining and conspiring, through acts of violence and depredations, to injure the Postal telegraph wires, to interfere with the transmission of government and commercial messages in interstate commerce.

Clothing Workers Get Raise.

New York, Feb. 25.—As the result of a conference between M. J. Reagan state industrial mediator, and Thomas A. Rickert, president of the United Garment Workers' union, it was announced that 10,000 men and women employed by the members of the Association of Boys' Clothing Manufacturers of New York, who have been on a strike for two months, would return to work this week. The agreement, it was announced, provides for a wage increase from $1 per week to 10 per cent per week.

Henwood Not to Be Tried.

Denver, Feb. 25.—Harold F. Henwood will not be tried on the charge of killing Tony von Phul, St. Louis balloonist, in the barroom of a Denver hotel on the night of May 24, 1911. Judge Butler dismissed the Von Phul charge on the ground that three terms of court had elapsed since the filing of the information, during which the defendant had not been brought to trial. The attorney for Henwood immediately moved to dismiss the case in which Henwood is charged with killing George E. Copeland.

MARVELOUS CLAIRVOYANT

Reads Thoughts and Tells the Past and Future—Insists Upon Satisfaction to His Clients.

The success which has attended the marvelous manifestations of Mr. Bauer since his arrival in Maryville constitutes a tribute to his ability which is impossible to over-estimate. It is no exaggeration to say that each successive day has witnessed the delight and astonishment of scores of applicants who tested his powers.

One of the things upon which Mr. Bauer justly prides himself is the high class of his clientele. Those who consult him are the very best people of Maryville, not superstitious, fanatical or ignorant persons, but men and women of rare intelligence and judgment.

As has been frequently stated in the Maryville papers, Mr. Bauer is a man whose statements need no verification other than he is able to give them through his wonderful powers. Mr. Bauer, it must be truthfully said, employs none of the mysterious machinery which often serves to make spiritual manifestations suspicious. He impresses his gift upon the people who consult him without the employment of a single mechanical agency. In fact, he makes his clients understand that the power to read and see hidden things lies within him and it is not to be brought into action through the aid of inanimate influences.

Therefore it must be said that Mr. Bauer is of the very highest class of clairvoyants. His belief is that the material heavens have a moral influence over the earth and its inhabitants. There are some wiseacres who scoff at this idea, not knowing, perhaps, that the first study of the heavens embraced and dominated over every other attempt at science. Astrology was the beginning of science, the first encyclopedia of the world. In the ancient ages physicians consulted the stars and gave nostrums. The cosmogonists explained the earth by the influence of the heavens. The Zodiac was the first book that lay open for all to read.

Ladies and gentlemen can visit Mr. Bauer without fear of having their confidence betrayed, as he considers his business a sacred trust. Mr. Bauer can be consulted daily at private residence, 322 North Mulberry street, corner of Fourth, the Maplehurst.

Hours—9 a. m. to 8 p. m. daily; 10 to 4 Sundays.

Readings $1.00, no more and no less. Mrs. Bauer receives all callers.

Notice—Positively no one seen after hours and no young ladies under 18 given readings unless accompanied by parents or guardians.—Advertisement.

MEXICO TURNING TO ELECTIONS

Ambassador Wilson Issues Statement on Situation.

FRIENDLY TO UNITED STATES.

Killing of Madero and Suarez Without Official Approval—Diaz, De La Barra and Gomez Enter Campaign for the Presidency.

Mexico City, Feb. 25.—The American ambassador, Henry Lane Wilson, made the following statement regarding the death of Madero and Suarez:

"In the absence of other reliable information I am disposed to accept the government's version of the manner in which the ex-president and ex-vice president lost their lives. Certainly the violent deaths of these persons were without government approval, and if the deaths were the result of a plot it was of restricted character and unknown to the higher officers of the government.

"Mexican public opinion has accepted this view of the affair and it is not at all excited. The present government appears to be revealing marked evidence of activity, firmness and prudence, and adhesion to it, as far as I have been able to ascertain, is general throughout the country, indicating the early re-establishment of peace.

"The government as constituted is very friendly to the United States and is desirous of affording every protection to all foreigners.

"For the present American public opinion should deal with the situation calmly, and accept with great reserve the lurid and highly-colored stories which are being furnished by some few correspondents. The great majority of the correspondents here are endeavoring to deal fairly with the situation."

Turning to Elections.

Confidence in the new administration is growing in the capital, conservative Mexicans and foreigners regarding what appears to be a probable military regime to be the solution of the present difficulty. A revulsion of sentiment has been caused by the death of Francisco Madero and Pino Suarez, but the great majority of the Mexican people merely shrug their shoulders. It is likely that there are few chapters of that tragedy still to be written.

One paper in Mexico City denies the stories of the attack on the Madero guard, declaring the affair was carried out in accordance with prearranged plans, but the Mexican government appears honest in its endeavor to place the facts before the world by means of a judicial investigation. This investigation probably will not be concluded for some days.

Already the political world is turning to the elections. It is said General Felix Diaz will have as his opponents in his candidacy for the presidency, Francisco de la Barra, the present minister of foreign relations; Rodolfo Reyes, son of General Bernardo Reyes, who was killed in the first attack on the palace, and Dr. Francisco Vazquez Gomez. Friends have begun a campaign in behalf of these various candidates. The holding of the elections will depend on the state of the country, but President Huerta insists on a free choice of the people when peace is restored.

Rebels Continue Active.

Reports are not altogether reassuring from the states of Coahuila, Nueve Leon and San Luis Potosi, in which the rebels are committing depredations. The Zapatistans in the south are giving trouble and it is reported that one town in the state of Puebla has been sacked. This, however, is characterized by the government as the work of a small and insignificant portion of the rebel army in the south and is due, perhaps, to ignorance of developments in the capital.

It is said that the new revolution attempted by Emilio and Raol Madero brothers of the late president, is making little headway.

MONEY FOR MISSOURI RIVER

Bill Passes Senate for $375,000 North of Kansas City.

Washington, Feb. 25.—The river and harbor bill which passed the senate carried an appropriation of $375,000 for improving the Missouri river between Kansas City and Fort Benton. Of this $150,000 is to be used between Kansas City and Sioux City and the balance is to be used from Sioux City to Fort Benton, with the provision that $25,000 of this sum is to be used in improvement work at Elk Point, S. D., and is to be immediately available.

Postal Receipts Largest on Record.

Washington, Feb. 25.—The daily receipts of the postoffice department have reached the enormous total of $2,427,000, which is more than $300,000 greater than the combined receipts of the government from all sources. The figures are set forth in the quarterly statement of Charles A. Kram, auditor for the department.

Judge Ransier to Resign.

Waterloo, Ia., Feb. 25.—It is announced that Charles E. Ransier judge of the district court, will resign after the present term of court. He will resume the practice of law here. He is serving his second term as judge of the Tenth Iowa district.

TEXAS MILITIA TO THE FRONT

Governor Colquitt Orders Troops to Proceed to Brownsville.

AMERICANS ARE THREATENED.

Government Fears a Clash Between Federal and State Troops and Orders General Steever to Send Force to Brownsville at Once.

Austin, Tex., Feb. 25.—Governor O. B. Colquitt ordered four companies of the Texas state militia to proceed to Brownsville with all haste, when it was reported to him that Americans had been arrested and held for ransom at the Mexican town of Matamoras, across the boundary from Brownsville, when they refused to contribute $20,000 to the officials in charge of Matamoras.

The governor also sent this message to Captain Head, in command of the Brownsville company of the Texas national guard:

"Notify Mexican commander at Matamoras, who is demanding money, that if he harms a single Texan his life will be demanded as a forfeit."

The governor received the following telegram from Captain Head, sent at the request of the sheriff of Cameron county:

"Have just received message from Consul Johnson at Matamoras. Can you authorize me to cross river at order of the consul to protect the consulate and American interests? Demand made on Americans last night."

The governor telegraphed Captain Head as follows:

"Telegram received. Do not cross river unless you receive orders to do so. Request American consul and Americans to come to Brownsville."

Governor Colquitt has repeated the message from Captain Head to the officer in charge of the United States troops at Houston.

Uncle Sam Steps In.

Washington, Feb. 25.—A serious clash may result between federal troops and the Texas national guard at Brownsville, Tex., should the latter attempt to cross the Rio Grande to the relief of Americans, alleged to be imperilled in Matamoras, Mex. When the war department learned that Governor Colquitt had issued orders for four companies of Texas militiamen to proceed to Brownsville, orders were telegraphed at once to Brigadier General Steever, in charge of the federal troops on the border, to send to Brownsville such a force as he deemed necessary and under no circumstances to permit the crossing of the river except upon specific orders of the secretary of war.

TROOPS GO TO GALVESTON

Ten Thousand Men to Assemble at Convenient Port.

Washington, Feb. 25.—Military orders flew thick and fast in redemption of President Taft's promise to have an army of 10,000 men assembled at Galveston, the most convenient port to Mexico, all equipped for foreign service and ready to execute any order that his successor might choose to issue on the basis of conditions that will exist after March 4. These orders on the whole were supplementary to those which began to flow from the war department last week and were calculated to insure the assemblage of the Second division of the reorganized army at or in the neighborhood of Galveston.

The completion of the orders to move the entire Second division is intended as further warning to Mexico that there will be no departure from the established policy of preparedness in the remaining week of President Taft's administration. All plans for the possible sending of troops into the republic on the south will continue to be carried out. This course is justified on the ground that any cessation in the closing days, or even hours, of the Taft administration might be seized hold of by a strike at Americans which could not be adequately overcome should officials relax their vigilance.

Major General William H. Carter who commands the Second division was ordered from Chicago to Galveston. The Fifth brigade of the Second division is already moving under previous orders to Galveston, as is the Fourth field artillery, composed of mountain batteries.

Clean Streets for Inauguration Day.

Washington, Feb. 25.—Despite the fact that the weather bureau has promised Washington clear and bright weather for inauguration day, the street cleaning department of the city proposes to be prepared for a repetition of the blizzard that marred the inauguration four years ago. A large force of men has been thoroughly organized.

Charges Against Golden Rule Chief.

Cleveland, Feb. 25.—After a conference here between Mayor Baker and Chief of Police Kohler, the mayor announced that charges have been filed with him against Kohler. The charges allege misconduct.

Girls' College Burns Down.

Liberty, Mo., Feb. 25.—The Liberty Ladies' college was burned here. Sixty girl students were in the dining hall when the fire was discovered, and left the building in safety.

HIS TROUBLE NOT OF HEART

Real Facts In Regard To F. R. Huffman's Illness. Relief Obtained By Curing His Stomach Ailments.

Waynesville, N. C.—Mr. F. R. Huffman, of this city, says: "I suffered dreadfully with what I thought was heart trouble, and tried various medicines in vain.

After other remedies had failed, Thedford's Black-Draught restored me to health. I would not feel safe without Black-Draught in the house. I consider it worth its weight in gold.

It cured my indigestion, and by this means I was restored to health. I can not express my gratitude for its benefits."

Good health depends on the condition of your digestion. Poor digestion and good health do not go together.

Thedford's Black-Draught will thoroughly cleanse and set in order your digestive system.

It has done this for others, during the past 70 years, and is today the most popular vegetable liver remedy on the market. Try it.
